Every evening, the futuristic humanoid from outer space visits the magical wood nymph through an enchanted wormhole made from faith. They sit atop tree branches deciphering human emotions and the mysteries of relations. The magical wood nymph brings the futuristic humanoid from outer space food foraged from the magical forest and the futuristic humanoid from outer space brings the magical wood nymph tiny gifts from the multiverse. Then they fuck fuck fuck fuck fuck fuckfuckfuckfuckfuck and the futuristic humanoid from outer space leaves, only to return the following evening through the faith portal of impossibility.

pervert • lonely • aggressively flirtatious • sexy • dominant • closeted • doesn't talk to her neighbors • wants a houseboy • nervous • overly concerned about what others think of her
traits
in a relationship
in a relationship
traits
easily seduced by old lady • gets fucked in the ass because he was caught masturbating • needs a lot of discipline • does housework with his shirt off • innocent and wants to be good • always horny
Jennifer's name was supposed to be Sarah. When Jennifer was born, the nurse asked what the baby's name was. Jennifer's mom said Sarah. Jennifer's dad claims that the father is supposed to say the name first so he changed it to Jennifer. laub was assigned the name Katie at birth. The name kade was suggested by laub's sister's friend. laub likes the name and uses it with family and when ordering food. kade and Sarah are so in love just like Kirito and Asuna on Sword Art Online.

traits
narrative
Twenty-two years after making that fateful deal with the cosmic entity to forfeit all romantic relations in exchange for her art career to flourish and five years of intimate relational solitude, Jennifer Moon performed a love ritual to break the curse and call in her ideal revolutionary love. Four months later, laub and Jennifer Moon met and since then they are merging as lovers, domestic partners, and collaborators to realize love as a political force for revolution.
narrative
play pretends to be afraid of Titan • wants to be eaten by Titan • constantly navigating and assessing Titan's mood • has no personality besides relating to Titan • clenches teeth a lot • squeals in delight
traits
HUMAN
in a relationship
titan
traits
mean but like a baby • likes to crunch on human's tiny toes • rips off human's ass and swallows human's useless body whole • pulverizes human deep into his gut • needs a lot of special attention from human
During laub's recovery from top surgery, Jennifer and laub watched a lot of anime. One of the shows was Attack on Titan. Titans are giant humanoid figures, usually masculine in body structure, but lacking reproductive organs, who eat humans on sight in a very gory manner. laub's post-op, flat-chested body looks like a Titan body. Jennifer calls laub Titan and laub calls Jennifer human and they gory sext each other with fantasies of bloody, flesh ripping fucking.
narrative
Jennifer is fourteen years older than laub. Sometimes laub calls Jennifer an old lady and Jennifer likes young boys. The old lady and teenage boy play out perverted sexual fantasies. The teenage boy is a smooth twink who gets fucked in the ass and taken advantage of by older people. When the old lady fucks the teenage boy in the ass, she sometimes becomes an old man. An even other times, the old lady is a science teacher and the teenage boy is a stoner skater high school student.
